

2023 NRHA Farm Bill Priorities

Rural Development

Increase funding for the Community Facilities Direct Loan and Grant Program and technical assistance to support rural hospital capital development projects.

Broadband

Reauthorize critical grant programs to equip rural communities with the infrastructure they need to be connected to broadband.

Behavioral Health

Reauthorize and create a permanent funding stream for the Farm and Ranch Stress Assistance Network.

Nutrition

Strengthen SNAP and the Food Distribution Program on Indian Reservations to close rural disparities in nutrition security.

Rural EMS

Reauthorize the Rural Emergency Medical Services Training and Equipment Assistance Program.
